WORK HISTORY

IT Desktop Support | *Shepherd Transportation*   03/2022 - 12/2024

- Provided technical support to end-users by troubleshooting hardware and software issues, ensuring minimal downtime for trucking operations.
- Configured and maintained desktop systems, printers, and network connectivity to support a 24/7 logistics environment.
- Documented and resolved support tickets efficiently, improving the response time and overall IT service satisfaction.

IT Desktop Support | *First Credit Services*   04/2020 - 02/2022

- Supported internal staff by diagnosing and resolving hardware, software, and network issues for over 50 employees.
- Ensured company systems were up-to-date by installing and configuring software updates, patches, and antivirus solutions.
- Provided on-site and remote troubleshooting support for network issues, operating system problems, and application bugs.
- Managed user account setups and assisted with password management, improving system security and employee access.

Truck Driver | *Ready Trucking*   05/2015 - 12/2019

- Utilized advanced routing and logistics software to optimize delivery schedules, ensuring timely and efficient shipments.
- Maintained accurate digital logs and records, adhering to compliance standards and improving data management processes.
- Diagnosed and resolved mechanical issues on-site, demonstrating strong problem-solving skills and technical adaptability.
